

PAYING THE RENT

The rent has to be paid monthly, in advance, before the first of the month.

There are different ways to pay your rent:

Direct debit

The easiest way to pay your rent is by direct debit. That way TROTS will automatically deduct the rent from your bank account in the beginning of each month. This standing order can be arranged by filling in a direct debit authorization form. You can download this form on the website www.studentlivingwageningen.nl or collect the form at office in the Forum building.

By filling in and returning the authorization form, you give TROTS the permission to collect the rent automatically from your bank account and transfer it to the account of TROTS every month, for the duration of your tenancy agreement. When you give notice for your room, the authorization is automatically cancelled.

(Automatic) transfer

You can transfer the rent to TROTS monthly. Please make sure you mention your address and room number and if possible the month you are paying for in the description field.

Paying at the TROTS office

It is also possible to pay the rent at the TROTS office, on Monday to Thursday from 09.00h to 14.00h. You can pay by pin, credit card or WUR MoneyCard. When you pay by credit card, *foreign* bank card (not Maestro or V-Pay) or WUR MoneyCard an extra 2% is charged. When you pay by Premium credit card an extra 2,6% is charged.

It is not possible to pay your rent in cash.
